

Curriculum Vitae

Qazvin University of Medical Sciences (QUMS)

Department of community medicine

First name: Ameneh

Last name: Barikani

Date of birth: 1 August 1979

Place of birth: Taleghan - IRAN

Marital status: Married

Specialty: Community medicine

*Employment: Faculty member (associate professor of community medicine) in
Faculty of medicine, Qazvin University of medical sciences, Iran, since
year 2001.*

*Working as general physician in a health and treatment centre for 2
years, 1990-97*

Educational-background

- *High school diploma: ۱۹۸۷ (Taleghan)*
- *Entrance to medical school: ۱۹۸۹ (Esfahan university of medical sciences)*
- *Graduated as a Medicine Doctor: ۱۹۹۶ (Esfahan university of medical sciences)*
- *Entrance to community medicine specialty: ۱۹۹۸ (Iran university of medical sciences)*
- *Graduated as a specialist in community medicine and passing national board: ۲۰۰۱ (Iran university of medical sciences)*

Membership in committees

۱. *Research council of faculty of Qazvin university of medical sciences*
۲. *Research council of Education Development Center*
۳. *Research council of HSR (Health System Research)*
۴. *Research and development council of K. osar hospital of Qazvin university of medical sciences*
۵. *Research center of metabolic disease*
۶. *Scientific committee member of clinical evaluation of medical students*
۷. *Responsible of COME (community oriented medical education)*

٨. *Responsible of public research center (٤ yrs)*

٩. *Scientific committee member of complementary and alternative medicine*

١٠. *Scientific committee member of professional medicine*

١١. *Scientific committee member of SDH*

Responsibilities

١. *Research and education deputy of community medicine department (٢٠٠٩-٢٠١٣)*

٢. *Head of community medicine department*

٣. *Responsible of medical students in health field*

Lecture and presentation of poster in Congress

١. *KAP study towards breast cancer in Minoodar, Qazvin.*

accepted as poster in Thirth international congress of breast cancer.

Beheshti University of Medical Sciences. ۲۰۰۵

۲. Assessments of two educational methods in diabetic patients toward their wrong nutritional attitudes. accepted as poster in The congress of nutrition and physical activity in metabolic diseases and obesity. ۲۰۰۶. Qazvin University of Medical Sciences.

۳. Sleep obstructive apnea in children after tonsillectomy. ۲۰۰۶. Tehran University of Medical Sciences

۴. The frequency of obesity in personnel of Qazvin University of Medical Sciences. Prevention of non communicable disease and community based cares. ۲۰۰۶

۵. Community need assessments towards health. accepted as poster in The first congress of community problem of health. Gissan University of Medical Sciences. ۲۰۰۸

۶. The cause of decreasing health system research proposal by personnel of Qazvin University of Medical Sciences. accepted as poster in The first national congress in development of health system research. Shahrecord University of Medical Sciences. ۲۰۰۹

۷. KAP study towards standards of isolation percussions in medical students of Qazvin University of Medical Sciences. The first congress of immunity in health system with basis of immunity in patients. Oromieh University of Medical Sciences. ۲۰۱۱

۸. *The prevalence of fatty liver in diabetic patients . Physical activity nutrition in metabolic disease and obesity congress . Qazvin University of Medical Sciences . ۲۰۰۸*
۹. *Epidemiology of malnutrition in the world and Iran. The children nutrition congress. Qazvin University of Medical Sciences. ۲۰۰۳*
۱۰. *Nutrition in Children with FTT. The nutritional approach in malnutrition children. Qazvin University of Medical Sciences. ۲۰۰۶*
۱۱. *The cause of divorce in womens that refer to legal office in Qazvin. accepted as poster in The second social pathology congress. Tehran University of Medical Sciences. ۲۰۱۱*
۱۲. *The violence against women . accepted as post er in The second social pathology congress. Tehran University of Medical Sciences. ۲۰۱۱*
۱۳. *Prevalence and risk factors of sleep bruxism in pre-school aged Iranian children. Proceeding of the ۲۴th international congress of pediatric. Tehran University of Medi cal Sciences. Oct-۲۰۱۲*
۱۴. *Complementary and alternative medicine in diabetes. Diabetes congress. Qazvin University of Medical Sciences. ۲۰۱۳*
۱۵. *The clinical trials in homeopathy. Homeopathic treatments in disease. Qazvin University of Medical Sciences ۲۰۱۱*
۱۶. *Vitamin D assessment in vitiligo patients. accepted as poster in*

The effect of complements in nutrition. Qazvin University of Medical Sciences. ۲۰۱۳

۱۷. Probiotics. accepted as poster in Nutritional health and safety. Shiraz University of Medical Sciences. ۲۰۱۳

۱۸. KAP of patients toward CAM. accepted as poster in The traditional medicine conference. Qazvin University of Medical Sciences. ۲۰۱۳

۱۹. The physician KAP towards CAM. accepted as poster in traditional medicine conference. Qazvin University of Medical Sciences. ۲۰۱۳

۲۰. The effect of dalibor water on umbilical infection. ?. Zanjan University of Medical Sciences. ۲۰۱۱

۲۱. The prevalence of hypertension in women over ۳۰. accepted as poster in The first congress of prevention, diagnosis and treatment of hypertension. Esfeh an University of Medical Sciences. ۲۰۱۱

۲۲. Assessment of nutritional practice in old age in Qazvin.

accepted as poster in The geriatric congress. Kashan University of Medical Sciences. ۲۰۰۷

۲۳. Compare of caffeine and tryptophane use in children with normal and abnormal sleep. Respiratory disease in sleep and methods of its treatment. autumn ۲۰۱۴

۲۴. Frequency of sleep disorders and its relation with EMI. Respiratory

disease in sleep and methods of its treatment. autumn ۲۰۱۴

۲۵. Prevalence of insomnia and its related factors in healthy adults.

Worldsleep ۲۰۱۵

۲۶. Association between sleep disorders and severity of burnout syndrome in firefighters. Worldsleep ۲۰۱۵

۲۷. Prevalence of eye strain and its relation with insomnia in daily VDT users. Worldsleep ۲۰۱۵

۲۸. KAP of GP about CAM. Basic and principles of traditional medicine treatments. summer ۲۰۱۳

۲۹. KAP of GP patients about CAM. Basic and principles of traditional medicine treatments. summer ۲۰۱۳

۳۰. Correlation of nutritional status and food security with body mass in children aged ۳-۵ years old. Prevention and treatment of obesity ۲۰۱۶.

۳۱. Association of sleep and body mass index in ۳-۶ years old Prevention and treatment of obesity ۲۰۱۶

۳۲. Association of children growth & food security in Qazvin Health Center. ۲۰۱۷

۳۳. Association of children growth & family food behavior in Qazvin Health Center. ۲۰۱۷

workshop teaching

۱. *Research methodology for assistant prof of Qazvin University of Medical Sciences.* ۲۰۱۱

۲. *Introduction of research methodology for medical residents . Qazvin University of Medical Sciences.* ۲۰۱۱

۹. *Introduction of research methodology for assistant prof of Qazvin University of Medical Sciences.* ۲۰۰۷

۱۰. *Introduction of SPSS software for medical students.* ۲۰۰۵

۱۱. *Introduction of research methodology for medical residents . Qazvin University of Medical Sciences.* ۲۰۰۲

۱۲. *Introduction of research methodology for nursing students . Qazvin University of Medical Sciences. ۲۰۰۱*

۱۳. *Introduction of research methodology for dentist students . Qazvin University of Medical Sciences. ۲۰۰۲*

۱۴. *Introduction of research methodology for medical students . Qazvin University of Medical Sciences. ۲۰۰۲*

Research Project

Principle investigator

۱. *The cause , prevention and treatment of anemia in female school age children.*

۲. *Assessment of nutritional knowledge and attitudes in female puberty age children.*

۳. *High risk behaviors in Tehrans students.*

۴. *High risk behaviors in Qazvin students.*

۵. *Assessment of nutritional knowledge , attitude and practice of old age inpatient in bozaki hospital of Qazvin.*

۶. *Stress in medical students*

۷. *The quality of life in primary and secondary students toward acne*

۸. *Assessment of violence against women*

۹. *Assessment cause of divorce in men and women that refer to legal office in Qazvin*

۱۰. *Health need assessment of population of Minoodar in Qazvin*

۱۱. *Prevalence of obesity in personnel of Qazvin Un*

iversity of Medical Sciences

۱۲. *Assessment of nutritional attitude in personnel of Qazvin University
of Medical Sciences*

Main Cooperator

۱۳. *Health need assessments in Qazvin.*
۱۴. *The frequency of fatty liver in patients that refer to Bocali hospital of Qazvin.*
۱۵. *Assessment of relation culture in residents of Minoodar in Qazvin. A population based research.*
۱۶. *Assessment of family relation problem in residents of Minoodar in Qazvin. A population based research.*
۱۷. *The cause of decrease in presenting proposal in HSR.*
۱۸. *The prevalence of mumps in Qazvin children.*
۱۹. *Study of Health Promoting Behaviors and Lifestyle in Elementary School (girls) Teachers in Karaj*
۲۰. *Study of Health Promoting Behaviors and Lifestyle in Elementary School (boys) Teachers in Karaj.*
۲۱. *The Relationship between Lifestyle of Pregnant Women and Anthropometric Indices in Patients Referring to Health Centers in Qazvin, ۱۳۹۴*
۲۲. *Comparison of pregnancy food pattern in mothers with low birth weight and normal birth weight children.*

۲۳. *Investigation of relationship between bedtime and dietary diversity with BMI and lipid profile of type ۲ diabetic patients referring to Minocdar Health Center*

۲۴. *Comparison of happiness in diabetic and non-diabetic patients referred to Tehran Diabetes Screening Center*

۷. *View points of medical students on their future career in Qazvin University of Medical Sciences: Iranian Journal of Medical Education. ۲۰۰۷*

۱. *The cause of refer to GCM centers in view of patients in Qazvin.* ۲۰۱۲

۹. *KAP study of physicians toward GCM in Qazvin.* ۲۰۱۳

۱۰. *prediction of successful aging based on family environment and socioeconomic status in older adults in Tabriz.*

۱۱. *The relationship between growth and food security among children ۳ to ۶ years old referring to health centers in Qazvin.*

۱۲. *The relationship between growth and families nutritional behavior among children ۳ to ۶ years old referring to health centers in Qazvin.*

۱۳. *The Relationship between Child Growth Status and Nutritional Behavior of Mothers ۳ - ۶ Year Old Children Referring to Qazvin Health Centers*

۱۴. *The Relationship between Socioeconomic Factors and Food Safety in Women Referring to Qazvin Health Centers*

۱۵. *Food safety and its related factors in households referring to health centers in Qazvin*

Theses Advisor

۱. *The relation of bruxism and intestinal infestation in preschool children.*

Supervisor: Dr. Sh. Jalilolghadr. ۲۰۱۱

۲. *FSR assessment in Sepsis of preterm neonates in hospitalized patients of*

٢. Ghods hospital. Qazvin. ٢٠٠٦. Supervisor: Dr: Habibi

٣. Knowledge of mothers toward neonatal care in Kosar hospital of Qazvin. ٢٠٠٩. Supervisor: Dr: Habibi

٤. View points of interns on their future career in Qazvin University of Medical Sciences. ١. Supervisor: Dr: Asefzadeh

٥. The prevalence of myopia in students in Qazvin. ٢٠١١. Supervisor: Dr: Khalaj

٦. Eye problems because of eye contact lens. ٢٠٠٦. Supervisor: Dr: Khalaj

٧. Assessments of two educational methods in diabetic patients toward their wrong nutritional attitudes. ٢٠٠٦. Supervisor: Dr: Javadi

٨. Compare of radiologic and laboratory results with DMSSA in pyelonephritis patients. ٢٠٠٧. Supervisor: Dr: Moshiri

٩. Nutritional allergy in medical students. ٢٠٠٦. Supervisor: Dr: Kiani

۱۰. *Increasing of bilirubin after intensive phototherapy in hyperbilirubinemic patients in Ghods hospital.* ۲۰۰۸. Supervisor: Dr. sarreshtehdari

۱۱. *The prevalence of hyperopia in patients that refer to local clinics in Qazvin.* ۲۰۱۱. Supervisor: Dr. Khasaj

۱۲. *Determination of CSF fluid component in hospitalized children with bacterial meningitis in Ghods hospital.* ۲۰۰۸. Supervisor: Dr. Motii

۱۳. *Intrathecal infusion of Camomila on addiction withdrawal symptoms in mouth.* ۲۰۰۸. Supervisor: Dr. Esmaili

۱۴. *The frequency of diarrhea in infants with breastfeeding and formula.* ۲۰۰۶. Supervisor: Dr. Ghorashi

۱۵. *When is the Best Time for Voiding Cystourethrogram in Urinary Tract Infection of Children.* ۲۰۱۰. Supervisor: Dr. Mahyar

۱۶. *The effects of dasibor water on umbilical infection.* ۲۰۰۹. Supervisor: Dr. Habibi

۱۷. Comparison of weight and height of students (N=۱۱) with
NGHS. ۲۰۰۶. Supervisor: Dr: Pirzadeh

۱۸. The effect of *Oculiptus* on acute sinusitis. ۲۰۰۵. Supervisor:
Dr: Kazemi

۱۹. The cause of arthritis in hospitalized children between ۲۰۰۵-
۲۰۰۷. Supervisor: Dr: Motii

۲۰. Prevalence of mumps in students in Qazvin. ۲۰۰۲. Supervisor:
Dr Sh. Jafarolghadr

۲۱. Frequency of bruxism and its risk factors in preschool children in
Qazvin. ۲۰۱۰. Supervisor: Dr Sh. Jafarolghadr

۲۲. Prevalence of diabetic retinopathy in patients that refer to Local clinics
in Qazvin. ۲۰۰۹ Supervisor: Dr: Khalaj

۲۳. Frequency of herpes zoster in patients that refer to health and treatment
center in Qazvin. ۲۰۰۸. Supervisor: Dr: Beheshti

۲۴. *comparison of psychological health epidemiology between major thalassemic patients and controls. ۲۰۰۷. Supervisor: Dr: Kamali*

۲۵. *Clinical symptoms and polysomnography in patients with snoring in Noor Clinics. ۲۰۱۰. Supervisor: Dr Sh. Jahisolghadr*

۲۶. *The prevalence of fatty liver in type ۲ diabetic patients that refer to Bozali clinics. ۲۰۰۸. Supervisor: Dr Ziaee*

۲۷. *The efficacy of Epiherb in comparing Cinarizin in patients with tinnitus. ۲۰۰۶. Supervisor: Dr: Kazemi*

۲۸. *The frequency of psychological disorders in hospitalized patients in Bozali hospital. ۲۰۰۶. Supervisor: Dr: ghafesebashi*

۲۹. *Need of calcium, glucose and TBT diff evaluation in neonates over ۴۰۰۰ gr in hospital of Kosar. Qazvin. ۲۰۰۶. Supervisor: Dr: Habibi*

۳۰. *The efficacy of Epiherb in comparing placebo in patients with tinnitus.*

۲۰۰۶. Supervisor: Dr: Kazemi

۳۱. *Anti thyroid antibodies in patients with type ۱ diabetes. A case control study.* ۲۰۱۰. Supervisor: Dr: Mahyar

۳۲. *The prevalence of myopia in patients that refer to Bocali clinics.* ۲۰۰۹.

Supervisor: Dr: Khalaj

۳۳. *The factors that effect on post op bleeding in adenotonsillectomy.* ۲۰۰۹.

Supervisor: Dr: safdarian

۳۴. *The Urine nitrite test and resistance to ceftriaxon and co-trimoxazole in children with urinary infection.* ۲۰۱۰. Supervisor: Dr: Mahyar

۳۵. *The comparison between septicemia and non septicemia icteric neonates in hospital of Ghods.* ۲۰۰۸. Supervisor: Dr: sarreshtehdari

۳۶. *The symptom of diabetic foot in hospital of Rajaii.* ۲۰۰۸. Supervisor: Dr: Parsa

۳۷. *Anus disposition and constipation in the first two months of years.* ۲۰۰۹. Supervisor: Dr: Jarlan

۳۸. *Epidemiology of diarrhea in ۲-۱۲ yrs children hospitalized in coah, Qazvin. ۲۰۰۹. Supervisor: Dr: Motii*

۳۹. *Locus cereus and Acominus Infusion of Camomila for morphin withdrawal in addicted mouse. ۲۰۰۸. Supervisor: Dr: Esmaili*

۴۰. *Soft and toric lens effect on prevention of myopia. ۲۰۱۰. Supervisor: Dr: Khalaj*

۴۱. *Hypothyroid prevalence in short stature child. ۲۰۱۰. Supervisor: Dr: Safari*

۴۲. *Ictiosis, clinical symptoms, familial background and disabilities. ۲۰۰۹. Supervisor: Dr: Beheshti*

۴۳. *Side effects of OCP and IUD in women. ۲۰۰۷. Supervisor: Dr: Dabaghi*

۴۴. *Vitamin A in prevention of renal disturbance in patient with pylonephritis. ۲۰۰۸. Supervisor: Dr: Moshiri*

Dr: Ghoreishi

٤٦. *Amblyopia and educational and social activities in students. ٢٠٠٦. Supervisor. Dr: Khalaj*

٤٧. *The cause of convulsion in neonates. ٢٠٠٦. Supervisor:*

Dr: sarreshtehdari

٤٨. *Myopia in computer users. ٢٠٠٧. Supervisor. Dr: Khalaj*

٤٩. *Coronary angiography and scan. ٢٠٠٩. Supervisor. Dr: Sayah*

٥٠. *Sonography and DMSA renal scan in pyelonephritis patients. ٢٠٠٨.*

Supervisor. Dr: Ayazi

٥١. *Prevalence of sleep disorders in children. ٢٠٠٨. Supervisor Dr Sh.*

Jafarolghadr

٥٢. *Manual and automatic analysis of sleep test in polysomnography. ٢٠١٠.*

Supervisor Dr Sh. Jafarolghadr

۵۳. *Prevalence of keratoconus in patients of Bocoali clinic. ۲۰۰۹. Supervisor Dr: Khalaj*

۵۴. *Risk Factors of Early Neurologic Complications after CAG Surgery. ۲۰۱۱. Supervisor. Dr: Changizi*

۵۵. *Obstructive apnea before and after adenotonsillectomy. ۲۰۰۸. Supervisor Dr Sh. Jafarolghadr*

۵۶. *Evaluation of hydatid cyst fertility and protoscolex viability. ۲۰۰۹. Supervisor Dr: Shahnazi*

۵۷. *Side effects of splenectomy in beta thalasemia major patients. ۲۰۰۸. Supervisor Dr: Kamali*

۵۸. *G⁶PD deficiency in high indirect bilirubinemia neonates in Qazvin. ۲۰۰۸. Supervisor: Dr: Mahyar*

۵۹. *Prevalence of glaucoma in diabetic patients. ۲۰۱۲. Supervisor. Dr: Khalaj*

۶۰. *Level of vitD in vitiligo patients.* ۲۰۱۲. Supervisor: *Dr: Beheshti*

۶۱. *The Frequency of Common Allergens in Allergic Rhinitis Patients*
. ۲۰۱۲. Supervisor. *Dr: Mahram*

۶۲. *The postoperative analgetic effect of morphine and paracetamol in the patients undergoing laparotomy, using PCA method.* ۲۰۱۳. Supervisor *Dr: Yaqubi*

۶۳. *Prevalence of sleep disorders and relation with BMI in preschool children.* ۲۰۱۳. Supervisor *Dr: Javadi*

۶۴. *The effect of Dexamethasone on cervix preparation for labor.* ۲۰۱۳.
Supervisor *Dr: Laleha*

۶۵. *The effect of TXA on uterine atonia.* ۲۰۱۳. Supervisor
Dr: Hajseyedjavadi

۶۶. *Measuring hospital service quality gap from the viewpoint of inpatients in educational hospital of Qazvin University of Medical*

Sciences: Applying Importance-Performance Analysis ۲۰۱۲-

۲۰۱۳. Supervisor: Dr Rafat Mohebbifar.

۶۷. St elevation in use of pace maker. A prediction of pace maker function.

Supervisor: Dr Sima Sayyah.

۶۸. Determination of phototherapy and blood exchange level with use of bil/alb ratio. Supervisor: Dr. Habibi

۶۹. Prevalence of nail disorders and onychomycosis in hemodialysis patients. Dr. Charkhchian.

۷۰. Prevalence of refraction disorders in patients with vertigo. Supervisor: Dr. Khalaj

۷۱. Relation of myopia and open angle glaucoma. Supervisor: Dr. Khalaj.

۷۲. PTH level before and after of surgery in patients with parathyroid nodules. Supervisor: Dr. Parsa

۷۳. Sleep style in children and their parents. Supervisor: Dr. Javadi.

۷۴. *Comparison of intravenous and intrathecal morphine analgesia after tibial fracture surgery under spinal anesthesia. Supervisor: Dr. Kayashā*

۷۵. *Intranencous Dexa on preparation of cervix in labor. Supervisor: Dr. Lallohā*

۷۶. *Intrathecal neostigmine effect on bupivacaine anesthesia duration. Spervisor: Dr. Kayashā*

۷۷. *Caffeine and Tryptophane use in children with normal and abnormal sleep. Supervisor: Dr. Javadi*

۷۸. *Prevalence of sleep disorders and its relation with BMI in children. Supervisor: Dr. Javadi*

۷۹. *Antimicribial effect of Chammonisa on Staph and pseudomona. Supervisor: Dr. Behashti*

۸۰. *Prevalence of nail changes in patients over ۴۰ yrs. Supervisor: Dr. Behashti.*

٨١. *Acite fluide analysis in hospitalized patients in Boali hospital. Supervisor: Dr. Mirosiayi*

٨٢. *Frequency of insomnia and poor quality of sleep in firefighters with different level of job burnout. Supervisor: Dr. Yazdi*

٨٣. *The relationsheep between acne and intrinsic temperament and distemperaments. Supervisor: Dr. Javadi*

٨٤. *Effect of intravenous normal saline and dextrose saline on lengh of labor in nullipars. Supervisor: Dr Movahhed*

٨٥. *effect of bethamethasone in preterm labor on neonatal outcome. Supervisor: Dr. Haj seyed Javadi*

٨٦. *Oral furosemide in postpartum hypertension in patients with severe preeclampsia. Supervisor: Dr. Dabbaghi*

٨٧. *The role of DMSCA scan in diagnosis of culture negative kidney infection. Supervisor: Dr. Ayazi*

۸۸. *The relationship between nutrition pattern and sleep hours. Supervisor: Dr. Javadi*
۸۹. *Frequency of insomnia and quality of sleep in firefighters. Supervisor: Dr. Yazdi*
۹۰. *The effect of pectidine on first and second stage of labor. Supervisor: Dr. Lallcha*
۹۱. *Frequency of Chlamydia trachomatis in endocervical samples of women. Supervisor: Dr. Aslanimehr*
۹۲. *Sleep style and its related factors in adults in Qazvin. Supervisor: Dr. Yazdi*
۹۳. *Frequency of benign and malignant mouth tumors. Supervisor: Dr. mehrnaz ali khasi*
۹۴. *Aphthous osteomyelitis in medical and dentist students. Supervisor: Dr. ?*
۹۵. *Diuretic on kidney stone after ESWL. Supervisor: Dr. Ali Akbar Karami*
۹۶. *Visual fatigue in computer users in hospitals of Qazvin University of Medical Sciences and its relation with sleep disorders. Supervisor: Dr. Yazdi*
